Please Pardon Our Bias, But . . .

This newspaper, we believe you will agree, has always been generous in allocating space to the celebration of all manner of "Weeks" — from National Pleke Week to Employ the Handicapped Week.

Therefore, we feel we should be forgiven for a small touch on our own horn in behalf of National Newspaper Week, which this year is being celebrated during the October 13 to October 19 period.

There could not be a more fitting slogan than the one chosen for 1963. It is: "Newspapers Make a Big Difference in People's Lives."

Most readers are certain to subscribe to that statement, especially those who have been deprived of their newspapers by strikes and have found out how truly dependent they are on their newspapers.

For the newspaper — particularly the hometown newspaper — is much more than a gatherer and dispenser of news. It is a frontline fighter in the never-ending struggle to preserve our freedoms; it is a relentless foe of corruption; it is a watchdog of the public treasury and it unfailingly exposes any menace to national or community well-being.

And, best of all, anyone who finds fault with that appraisal of the virtues of a community newspaper can so express himself right in the letters-to-the-editor column of those very newspapers — including this one.

UNCLE DAN from DOOLIE says:

Dear Mister Editor:

The fellers at the country store Saturday night was discussing the changing times. The Republicans claimed they was changing the world. The Democrats was allowing as how to "Keep Off The Median." He said the median patrolman and him what it meant. He told em it means they didn't allow no messin' around in the middle. Now there, claimed Ed, was a good Republican, a feller that give you your son, we never had it so good. Zeke Grubb, that votes farm price is looking at election time, was setting as the Judge.

Ed Don't know where he was. Also Ed is sure to be in the woods by his pocket watch, said things, hit the bottom and any change after 1964 would be down hill. He told the fellers even the Federal highway signs was going so complicated since he was raised. The New Dealer that a one-gang man couldn't tell if he was going or coming.

Army Recruiting Station Applauded

SFC RON ROSSER
... Congratulated

"Congratulations" . . . the telegram read from South Florida Recruiting Commander Captain Wallace G. Rawls to U. S. Army Recruiters M/Sgt. Tom Germannos and Sgt. First Class Ron Rosser. The congratulations were in order by the fact the West Palm Beach recruits topped all stations in the area for the month of September meeting a near 178 percent of their assigned objectives for the period. You men have materially aided the mission of this main station," Capt. Rawls added. Your exceptional efforts have helped us continue our record of never missing a quota . . . since records were first kept in 1957." The record of 78 consecutive months of perfect recruiting is more than 30 months better than that of any Main Station in the history of the army.

Agriculturally Speaking

by
JOHN CAUSEY
Associate County Agent
Glades Area

Last week we were visited by Miss Abu - Madi and Mr. Mohamed Dessouky, of the Foreign Agricultural Division, Ministry of Agriculture, Egypt who were here to inspect and evaluate the production of vegetable crops on the rock soil of the Everglades. They stated that they grow very similar crops in the Nile Valley as we do here; however, their latest acreage is devoted to watermelons.

As you know by now that the vegetable harvest season has gotten underway with the movement of sweet corn from both the Palmetto area and the Glades area. Crops have been reported very good with the quality of corn excellent as compared with other years. As promised you last week, here is some more information on your roses. Now is the time to start preparing your bed and selecting your plants for your garden. This is a sun loving plant and should be spaced up to keep any compaction of the soil during the summer rains. You should aim for an over-cast day for planting but first check the weather conditions back to the bushes to 5 or 6 nodes or eyes. Trim off all dozen roots and be sure your planting hole is large enough to accommodate the roots without crowding. A cup or two of steamed bone meal together with sand should be mixed with the soil prior to planting. Place the plant in the hole and cover so that the plant will stand at the same level as the surrounding soil. Water the plant well working the soil around the roots so as not to leave an air pocket in the root zone area. This plant should soon start growing with vigorous canes.

Weather-wise we have had quite a bit of rain throughout the Glades as we which has made cultivation of our crops difficult due to the presence of diseases and insects. Rains have washed off spray as it was put on and in some instances kept growers from being able to get into their fields to spray. Control of diseases was the principal topic of discussion at our recent Growers' meeting. The growers on the Coast have had a little rougher as rain fell in that area during the week. Some growers report as much as 16 to 20 inches accumulated rainfall in the past 3 weeks.

Announcement of interest to our sugar cane growers as there was a discussion of the condition of sugar cane production problems Monday night, October 14th, 8:00 p.m. at the Belle Glade Civic Center. Research workers from the USDA Cane Breeding Station, Canal Point and from the Everglades Experiment Station will be on hand to answer growers' questions. It is hoped that all sugar cane growers, as well as the field supervisor personnel, will be encouraged to take part in this discussion.

FOR THE HOME GARDENER — Announcement of interest to our home gardeners that are interested in O-Child growing, there will be an Orchid Short Course at the University Theatre, University of South Florida, Temple Terrace, Tampa, Florida

Commercial Banks
(Continued From Page 1)

for investment medium is competing with Treasury bills and a new and continued growth is anticipated.

Individual savings continue to grow, with the private citizen taking advantage of the highest legal interest rate in history, coupled with the security of the deposit insurance of the FDIC protection. The relative conservatism of banks appeals more to the saver as opposed to the investor.

Explorer Post 612 Elects Officers

Monday night Explorers Post 612 held its first business meeting. The Post has permission to meet in the Civic Center on the first and third Monday of each month. Meeting time is 7 p.m. to last until about 9.

The following officers elected for six months term were: President Jeff Altman; vice president, Glenn Wolf; Secretary-Treasurer, Jimmie Johnson; Parliamentarian an unofficial of treasurer and quartermaster will be elected in the future.

Four boys were elected to represent the post in district and council court meetings, where the post will be represented at next meet for planning. Dale Henderson was elected for 12 months, the regular term and Guy Wilson for six months to start a rotating system.

Membership is open to all boys, from 14 to 18 years old. If you fit into the age group, you are sincerely invited to attend the next Post meeting, which will be held Oct. 21, Monday at 7 p.m., in the Civic Center.

Golden Rams Trample

(Continued From Page 1) approved Riviera Beach team. Riviera Beach gained more yards rushing in losing to Ft. Pierce 27-8 than the Rams gained against Lake Worth. The Rams had a 27-0 record, while the Rams had a 26-1 record. The Rams are the only team in the area to stay tied in third place. Both teams had three wins and two losses.

There are three boys on the injured list at this time. Roy Hayes with a badly bruised foot and knee, Buck Holt with an injured hip, and Gary Walker with a broken thumb.

Player of the Week

Player of the week is John Causey. Senior half back and line backer, John scored a touchdown and an extra point.

His power and picked up yardage when it was needed.

John was also in on many late plays.

Roy Hayes and Buck Holt will probably miss Friday night's game due to injuries they received against Lake Worth.

Man's best friend among reptiles from Guatemala replies

deadly fer-de-lance, according to Ross Allen, herpetologist, of Florida's Silver Springs.

Suncoast Conference—Rams Running Hard Near Top

Four unbeaten clubs, all of them former champions included, were running edge away from the rest of the pack and probably will continue that trend this week at the Suncoast. Conference race begins to take definite shape in somewhat surprising way.

For Pierce and Seacrest, the top two clubs, both enter non-conference foes on this week's six-game schedule, so their positions are quite safe at least for this week. Ft. Pierce is 3-0 old for Melbourne while Miami Military calls on Seacrest.

Both behind the two are Vero Beach and Belle Glade both continue to show improving attacks. Russ Gielow scored twice in the opening series of downs.

For better crops ... Agricultural Chemicals by CHEMAGRO

Outstanding Fungus Control !

Dyrene effectively combats early blight, late blight and Rhizoctonia... Greatly Increases Celery Yields... Upgrades Quality

Dyrene is so effective that significant increases in both crop quality and yields usually result from its use. In 6 years of cooperative research and commercial use, Dyrene has proved its outstanding

control of the important fungal diseases that attack celery. Growers from every important celery area of the country report substantial increases in yield over fields treated with conventional fungicides. Dyrene will not harm foliage... does not affect flavor or odor... leaves no harmful residue. For finer celery and more of it, use Dyrene. It works! At your farm supply dealers.

Woman's Club Launches New Year Honoring Past Presidents At Tea

The Woman's Club of Belle Glade began its 1963-64 year October 3rd at the Belle Glade Civic Center with the Annual President's Tea. Co-chairmen were Mrs. Frank Doyley and Mrs. Joe Orsenigo.

Unique flower arrangements placed on the piano and tea table were made by Mrs. Ivan Van Horne, Mrs. M. D. Kinney. During the afternoon program selection were given by Miss Sharon Motes. Pouring at the tea table were Mrs. Wm. Rhodes, Mrs. J. L. Price; Mrs. J. A. Ball, Jr., and Mrs. Frank Doyley.

Programs were distributed to the members while singing the register.

Bright red hibiscus corsages were presented to the former presidents who were in the re-

Campus Cuties 4-H Club Organized

Wednesday afternoon, Sept. 24 the Campus Cuties 4-H Club met at the home of Mrs. R. H. Lewis with Mrs. Lewis and Mrs. E. W. Scheffler as leaders.

Seven members were present: Kathy Scheffler, Debbie Lewis, Kathi Lewis, Joyce Jones, Diane Clark, Paula Davis and Susan Jackson.

The club will meet each Wednesday at 4 p.m.

The second meeting of the Campus Cuties took place at the home of Mrs. Lewis at the Experiment Station. The election of officers was the main business of the club. Debbie Lewis was elected president; Cindy Clark, secretary; Kathy Nehls and Kathy Scheffler, song leaders; Barbara Clark, reporter.

The program was a discussion on "What 4-H Means To Us." Diane Clarke served refreshments.

Mrs. Allen T. Clark of West Palm Beach was a guest for a week of her daughter Mrs. Don Fisher and family.

Canal Point, Florida

The engagement and approaching marriage of Esther June Greer to Thomas Joseph Quirk was announced Saturday, Oct. 13, by her parents, Mr. and Mrs. James L. Greer, at a beautifully appointed buffet supper given in their home by Mr. and Mrs. Joe Boyd at their country home on Tabit Road.

The supper table was covered with white taffeta and a net cloth, was decorated with pink paper mache chapel bells and wedding bells.

The supper table featured a pink and white engagement cake with two hearts entwined on which were the names "Esther" and "Tom." The table was overlaid with a pink net cloth and graced with sterling silver service. A delicious full-course dinner supper was served to about 50 guests who called between 5 and 8.

Assisting the hostess in serving were Mrs. Roger (Beverly) Terrell, sister of the bride-to-be; Mrs. Charles Greer, Mrs. Lester Greer, Mrs. Al Piller and Miss Andy Boyd.

Out-of-town guests attending were Mr. and Mrs. Thomas Quirk, parents of the bridegroom, and Mr. and Mrs. Kenneth of Lake Worth; Mr. and Mrs. Roger Terrell, Miami, and Mr. and Mrs. Alvin Spender of Lanham.

Sacred Heart Catholic Church will be the scene of the morning wedding, October 19, 11 a.m. at 10 a.m.

The bride-to-be has been making her home in Lake Worth for the past three years where she is employed as secretary in the legal department of First Federal Savings and Loan Assn.

The bridegroom, son of Mr. and Mrs. Thomas Quirk, Lake Worth, is an executive employee of Southern Bell Telephone Company, Lake Worth.

Personal Notes

Mr. and Mrs. John Whittle have returned home after spending the summer at Lake Chautauqua, N. W. While there they were joined by Mr. and Mrs. Leo Troski, who visited with them for two weeks.

Mr. Troski is stationed at the Air Force base near Colorado Springs, Colo.

Dr. and Mrs. Clarence Kidder and Dr. and Mrs. Howard Hill attended the annual Veterans Medical Association meeting held at the Robert Myer Hotel, Jacksonville on Sunday through Tuesday.

Hagan Powell is reported getting along satisfactorily at Oncology Clinic, New Orleans, after surgery on Saturday. Mrs. Powell left last Friday to be with her husband.

The marriage will take place Dec. 20 at Community Methodist Church, Belle Glade.

New Staff Member
(Continued from One Column)

For Military Service Review. His research activities were in peppermint, citrus, sugarcane and pineapple; Specialty in Art Engineering, design and testing of field machinery and processing equipment.

Mr. Kahl is the author of a number of published works, the most prominent in Michigan Eng. Station Bulletin' an investigation of some factors affecting the distribution of Peppermint Oil.

Technologists Yearbook, "The Cutt-Cake Cane Harvest," Short Course program, Faculty of Agricultural College of Agriculture and Mechanics, University of Puerto Rico, and Sugarcane Mechanization in Puerto Rico, with particular reference to Harvesting Operations.

Mr. and Mrs. Kahl are residing in Belle Glade at 636 S. W. 2nd St.

Mrs. Lurline Underhill and husband Doyle stopped over for a brief visit with his sister, Mrs. Carl Cook, and his sister-in-law, Mr. and Mrs. W. G. McGinn, enroute to Lake Worth, after being a guest of her daughter in Lake Worth.

Pixie 4-H Club News

The regular meeting of the Pixie 4-H Club was conducted at 7:15 p.m. S.E. Second St. Monday afternoon.

All 12 members were present, the girls once heard shaped conduct, then the project for the week. They are also saving their money to purchase a gift to make Christmas presents. Cherry punch was served—Phyllis Giese, reporter.

Farm Bureau States Talent Show

This year the Everglades Farm Bureau is once again endeavoring to sponsor a talent show at the annual meeting of the Farm Bureau families are eligible. Types of talent include baton twirling, Voice, Instrumental, Dancing and Skits.

RH young people ages 13-21 years of age in the same type of competition as the Farm Bureau families are eligible. Types of talent include baton twirling, Voice, Instrumental, Dancing and Skits.

Mr. Carl Waggoner, chairman of the Farm Bureau, said, "The first prize is \$15 and \$10 for second. The winner will go to Panama City to participate in the state contest. Winners in the state will receive \$100 for first, \$75 for second and \$50 for third."

The bride-elect graduated last June from Belle Glade High School and is presently employed in the office of Bradcock Construction Co.

The bride-elect attended the 1961 graduation of U. S. Sugar Corp. at Bryant as mechanic.

The wedding will be set for Nov. 29 at the First Missionary Baptist Church of Chosen.

Johnnie Nutt Joins Zeta Tau Alpha

Johnnie Nutt of Belle Glade, Fla. joined the Auburn University chapter of Zeta Tau Alpha Sorority as one of the co-eds pledged to the 11th corporation of women's fraternity on the Auburn campus during Formal Fall Rush.

The daughter of Mr. and Mrs. A. R. Nutt of 630 E. Second Street, Belle Glade, Johnnie is a freshman in pre-engineering.

Painting Classes At Norton School

Special attractions have been planned for the Dorfman painting class which opened on Tuesday at the Norton School of Art with morning and afternoon sessions on Tuesdays and Thursdays.

To supplement the painting and drawing done in the classroom, it is planned to give students a practical knowledge of Bruce Dorfman has organized sketching excursions, gallery walks, and guest speakers plus his own authoritative talk on "Form and Content," "Technique and Style," "The Portrait," "How to Paint the Unique William," and "Problems of Perspective or Which Way to the Rest?"

Among the sketching excursions will be trips to Palm Beach Yacht Club, Palm Beach Gardens, Palm Beach Botanical Gardens and Norton School of Ballet.

Miss Mary Mathewson, sophomore at the University of Florida, recently spent the weekend with her parents Mr. and Mrs. Jack Kaufman and family. Miss Kaufman a Junior this year was elected president of the inter-scholarship Committee at the University.

Mr. Kahl is the author of a number of published works, the most prominent in Michigan Eng. Station Bulletin' an investigation of some factors affecting the distribution of Peppermint Oil.

Technologists Yearbook, "The Cutt-Cake Cane Harvest," Short Course program, Faculty of Agricultural College of Agriculture and Mechanics, University of Puerto Rico, and Sugarcane Mechanization in Puerto Rico, with particular reference to Harvesting Operations.

Mr. and Mrs. Kahl are residing in Belle Glade at 636 S. W. 2nd St.

Mrs. Allen T. Clark of West Palm Beach was a guest for a week of her daughter Mrs. Don Fisher and family.

The club will meet each Wednesday at 4 p.m.

The second meeting of the Campus Cuties took place at the home of Mrs. Lewis at the Experiment Station. The election of officers was the main business of the club. Debbie Lewis was elected president; Cindy Clark, secretary; Kathy Nehls and Kathy Scheffler, song leaders; Barbara Clark, reporter.

The program was a discussion on "What 4-H Means To Us." Diane Clarke served refreshments.

Mrs. Ruth Wedge and son, Mike Jr., have returned to their home in Roxbury, N. C. after enjoying a weekend visit with her parents, Mr. and Mrs. Louis Motte on S. E. 5th St., Belle Glade.

Mr. and Mrs. Kenneth Conner and daughter, Jill, visited

"B S E" Pamphlet Offered To Women As Cancer Control

Because as many as 1500 new cases of cancer of the breast may develop among Florida women during the next twelve months, the American Cancer Society is offering to adult women a free educational pamphlet titled: "B S E" (Breast Self-Examination).

This free pamphlet, according to Dr. Harry A. Scherzer, medical director of the Palm Beach County Unit of the Society, contains authoritative information which should be known by every woman. There are explanations and sketches which tell and show step-by-step how to examine the breast properly made. It also tells about certain symptoms, if detected, might justify a consultation with a qualified physician.

"Early detection and prompt professional treatment of breast cancer may save lives that might otherwise be lost," said Dr. Scherzer, "and the cure rate can be further increased if more women will acquaint themselves with the 'cancer warning signs'."

Copies of the "B S E" pamphlets are available without cost. Just send your request or telephone the Palm Beach County Unit, American Cancer Society, 140 Lakeview Avenue, West Palm Beach.

The wedding is planned for June.

Dupere-Pletincks Engagement Told

Mr. and Mrs. George Dupere of Belle Glade are announcing the engagement of their daughter, Alice, to David Pletinck, son of Mr. and Mrs. John R. Pletinck of McDonald, Pa.

Miss Dupere graduated from Belle Glade High School and is senior at Nyack Missionary College.

Her fiance graduated from McDonald High School, attended University of Pittsburg one year and is a senior at Nyack Missionary College.

Upon completing school he will take an assistant pastorate for two years, and then both plan to go to Cambodia as missionaries under the Christian and Missionary Alliance.

The wedding is planned for June.

Civitans Recognizes Service Of S. Leader

Rogers Would
Bridle Wild
Running CIA

Congressman Paul G. Rogers (D-Fla.) in a speech before the House of Representatives today branded the CIA and other U.S. intelligence agencies as spirited horses running in all directions without bridle.

Rogers said, "Yesterday there appeared in the public record that the CIA was again trying to form a United States policy, had been at odds with our Ambassador, and was showing an unrestrained thirst for power — all of this in tiny South Viet-Nam where the difficulties of U.S. relations have been compounded of late."

The Florida Congressman stated, "The continual problem that the United States has with the CIA and other intelligence agencies stems from allowing these agencies to run in all directions like spirited horses with no bridle. If we had a Joint Congressional Committee to watch over the activities of our intelligence agencies, then the United States would have a sounder and better coordinated intelligence and information system. I have introduced legislation in the form of H.J. Res. 211, that if enacted by Congress would establish a Joint Watchdog Committee to oversee the activities of our intelligence agencies. The United States cannot afford another Bay of Pigs mistake that occurred in Cuba or any similar type mix-up."

Lake League

U. S. Sugar Corp., Clewiston still holds first place with 10 points, Belle Glade Herald and W. T. Grant are tied with 9 pts, for second place and Frosty is third with 8 points. The team set of 2465 was won by Doug and high team game 330 by WOWY Radio Station. In individual honors Robert Brane rolled high game of 246 and high set of 605. Others bowling and high scores were Jerry Gummere, 224 and 200; Bob Goedhart 215, Buddy Little 213, Sidney Smith 204.

Rockettes League

Sullivan's Pharmacy in first with 13 points. J. L. Thomas' Bowlers had 12 points. Florida National Bank 10½ points. High team games and sets were won by Florida National Bank 756, 2112 Elberta Crate and Box Co., 738, 204; Sullivan Pharmacy 737, 205. High individual scores 188, 522; Frances Carlin 192, 494; Ervin Hill 183, Lavern Alston 176, Ronica Jackson 177; Lucy Cameron 175.

Sawgrass League

After the first week of bowling Badcock Furniture is undefeated and alone in first place. K. Chapman and Sons with 5 pts. is holding down second place, and Bill's Shell Service, Gorham Coastal Motors and Gressinger & Associates tied for third with 4 points each.

Jerry Cramus of Gressinger & Sons took high honors for the week with a nice 190, 189, 211-590; while Jerry Gummere of Chapman and Sons was rough with 191, 245, 167, 581 for second high honor. It is interesting to note that in this league, noted for many high scores in the past seasons, that no 600 sets have been rolled this year. Most of the men are breaking the damp weather.

The Fox League

Shirley Brothers won 8 pts. for first place; Maloy's Grocery 2nd with 8 points; Bay Growers' 2nd with 8 points; Elberta Crate high team set 246 and 2nd high team game 843; South Bay Growers came in for 2nd high team set 2378 and high team game 893. Men bowling over 200 games were Bill Richmond, 205-212-215, 392; Ervin Hill 191-181, 561; T. Blauser 222, 510; L. Kelso 121, 506. Men bowling the most over their average were B. Lingerfeld 81; Don Ashey 75.

Penny Ante League

Wally's Pharmacy won first place with 14 pts., Coastal Motors 2nd with 12 and one-half Oyster Catcher Hauling 3rd with 11; Kirchman Co. 10½; Gladys Sugar House 10. High Individual ties with 10. High individual games and sets were won by A. LaFayette 174-213; 512; E. Kruse 192; M. Gunter 171; W. Plank 189. High team games and sets were won by Wally's Pharmacy 2074; Kirchman Co., 728, 2087.

Penny Ante League

I. O. U.'s tied with Non-Cents with 9 points; Flat Busted Four second with 8; Four Pennies 7; Dollar Down 6. High Individual games and sets were won by Del Gruber 172-174, 502; Betty Bryson 173, 470; Men having high games and sets were B. Richmond 243-216, 620 Bill Elliott 237, 546; Bill Gruber 171, 561; T. Blauser 222, 510; L. Kelso 121, 506. Men bowling the most over their average were B. Lingerfeld 81; Don Ashey 75.

Penny Ante League

I. O. U.'s tied with Non-Cents for first place with 7 points; Flat Busted Four 6 points; Four Pennies 5 points; Women's High games and sets were won by Betty Bryson 197, 465; Anna Mae Chapman 175, 462; Carol Gray 181, 455. Men with high games and sets were Joe Leavitt 200-209-193, 602; Joe Leavitt 204-226, 570. High team games and sets were won by I. O. U.'s 670, 1941; 2nd. Flat Busted Four 682, 1935.

Penny Ante League

Blue Birds in first place with 14 pts.; Fire Birds 2nd with 13; Waldo 3rd with 12; Night Owls 11; Ibis 10; Sky Birds and Robins 8; Woodpeckers 4. High High team set 1713 and high individual games and sets were won by the Night Owls; Ibis rolled second high team set 1623 and Blue Birds third high team set 1600. Waldo rolled second high team game 611 and Robins third high with 500. Individual high sets and games were won by P. Wedgeworth 191, 480; C. Bushin 174, 457; A. Mae Chapman 444, L. Fessenden 177; C. Grady 177; D. Gruber 170; D. Palmer 173.

Belle Glade Petrol League

Berryhill Electric first place 7 pts.; 2nd. Berck's Pahokee, 5 pts.; Berryhill Electric rolled high team games 931 and 30720 for high set of 2728; Glade

Roman's Dusting Service Gets Dusting

Ted Roman's Dusting Service recently received a good dusting from Lindsley Lumber Company. The Lindsley Lumber Company Lindsley Lumber won 4 points despite J. Hill's 214 for Ted Roman's team. Other teams to win four points were the Glades, 213; and the Badcock Furniture Company over Doug's Service, Geneva's Drive-in, over A. Duda & Sons, Doug's City Barber with 219 game. Lebron Williams was the bowler of the week bowling 114 pins over his average. His average was 141. The week he won was the week of Oct. 11. Congratulations to both men for their fine bowling.

Gator League

Badcock's Furniture are tied for first place with South Bay Trailer Park with 16 pts. Everglades Federal Savings and Loan next with 11. Badcock rolled high team game 733 and high team set 2138; Hendry Tractor 2nd with 709, 2068 and S. Bay Trailer Park 3rd with 438; Nonna Penninger 434; Rose Goodbread 422.

722, 2064. In high individual honors, Pat Barton rolled the highest game so far in the league with a 198 and 500 set. Other high games and sets were won by Helen Kite 498; Jenny Lewis 497; Lorraine Lee 459; Mariel Eggleston 176; Linda Fraser 440; Corine Tittsworth 438; Nonna Penninger 434; Rose Goodbread 422.

These deserving Scout Leaders had a big surprise at a recent luncheon meeting of the Civilian Club, where they were guests, when the presentation of awards was made by the Public Affairs Committee. They are l-r Dr. Chuck Haines, Reg Lewis, Dr. Herb Chapman. (Dr. Frank Thomas and Jack Carter also received awards.)

The Civilian Club program, in addition, to honoring the Boy Scout leaders, had as their speaker Paul Luce, Ex. of the Gulf Stream Council who came out from West Palm Beach. He spoke on the Boy Scout work, and the need for development of program in the Glades area.

Proposed Operating Hours For Navigation Locks On K. River

In the development of the Kissimmee River as an integral part of the Central and Southern Florida Flood Control Project, seven locks will be constructed on the main water route between Lake Tohopekaliga and Lake Okeechobee. Each lock will have a chamber 30 feet wide and 300 feet long with minimum navigation depth of 6 feet.

Lock S-61, located at the south entrance to Lake Tohopekaliga, is scheduled for completion in October 1963. Locks S-65E and S-65D are scheduled for completion in February and March 1964. Lock S-65 is scheduled for completion in September 1964. Locks S-65B and S-65C are scheduled for completion in January 1965. Construction of Lock S-65A is not yet scheduled.

The Flood Control District has requested approval of operation of the locks in accordance with the following schedule:

	Locks S-61, S-65 and S-65E	Locks S-65B, S-65C and S-65D	Lock S-65A
Monday through Friday	7:00 a. m. to 6:00 p. m.		
Saturday and Sunday	5:30 a. m. to 7:30 p. m.		
Saturday and Sunday

Colloquial Spanish In Lower Grades Urged By L. Jones

Luther Jones, publisher of the Belle Glade Herald, was approached at the recent meeting of the Everglades USDA Club, the first of the fall season, held as a luncheon in the Community building at the Glades Park Canal Point, Wednesday, Oct. 2 with President Douglas W. Wilson presiding.

Introduced by Miller H. Bryant, program chairman, he told his hosts of Communist countries in Europe last summer in company with several other Florida men, including Roy Vandegrift, Jr., of Pahokea and Florida Commissioner of Agriculture, John C. Stennis. Visits were made by group in East Germany and Poland, as well as Moscow and other cities in the Soviet Union. Among the interesting sights he described was the Russian pride of the Russians in the building of housing projects in Moscow, with emphasis on prefabrication of housing units in factories, and the subsequent assembling of the units on the site of construction to form a completed building in an amazingly short period of time.

The speaker was impressed with the tremendous propaganda job the Communists are doing in the spreading of their ideology throughout the world, and he felt the United States is lagging in this respect when it comes to telling the world of the personal freedoms and other wonderful benefits to be derived from democratic forms of government. He suggested that one way we Americans could help prevent the spread of Communism is to learn Spanish, the Latin-American language, which would be for more of us to learn to speak the Spanish language and intensify our programs of teaching Spanish in our schools.

Then, he pointed out, more of us would be able to communicate with our Latin-American neighbors with greater understanding and willingness to help them solve their economic and social problems, and they would be less likely to turn to other nations as the Communists who will promise anything to get converts, for help.

Mr. Jones illustrated his talk with some outstanding colored slides of the 700 photographs he took of scenes and people during the tour.

Introduced as guests of Bascom A. Belcher were Mr. and Mrs. James I. Keen of Pahokee. Mrs. Sue Smith of Belle Glade was also a visitor.

IN SERVICE BG Rams 4-H Club Officers

The new officers were installed at the regular meeting of the Belle Glade Rams 4-H Club held at the Lutheran Church.

Two new members were also voted into the club. They were Chuckie and Robert Strong.

The Club appointed a Financing Committee consisting of Jim Baker, chairman, Jack Payne and Robert Strong.

Any boys interested in joining the club may contact Mr. Daniels Nehls at WY 6-2757.

The next regular meeting will be Oct. 13 at the church.

Mrs. Hemphill Gives Program on Estar Fund

At the first meeting after the summer recess of the Belle Glade Chapter No. 197, O. E. S. Mr. and Mrs. James Hendry breasted North Matron and Wally Patron.

The program was conducted by Mrs. Hemphill centered upon the work of the Estar Fund.

The word which signifies "Estar" is the Spanish word for "to stand" or "to be." It is used to denote the state of those who wish to study as much as possible about their religion.

The silver drill of the evening was directed toward it.

The meeting was attended by twenty-three persons.

The refreshment committee,

composed of Mrs. and Mrs. Sol

Corbin, Mr. and Mrs. C. T.

Pennington, and Mrs. Reba Gilbert, served delicious refreshments.

The chapter's next regular meeting will occur on Oct. 17th.

Rockettes League

Sullivan's Pharmacy first place with 15 pts. Diana 2nd, 20 pts. 2nd with 14 and one-half and J. V. Thomas and Son 3rd with 14. J. V. Thomas and Son won high team game 747 to high team set 2122. Individuals overall high games and Lucy Carpenter 178, Helen Kiste 188, 448; Eve Hill 185, 443; Lola Binkley 177, 448. Lola Richmond 178, 448. Lola was split nine with Linda Goforth, 186, Mildred Hager, 79-10; Merelyne Cochran and Lorrie Fessenden both 5-6-10.

IN SERVICE

John T. Gibson, interim communications electrician third class, USN, son of Mr. and Mrs. Irvin Gibson of 101 Southwest Avenue "F" Belle Glade, Fla., serving aboard the attack cargo ship SEMINOLE, is participating in extensive and maneuverous maneuvres conducted Sept. 16 through 27 off the coast of Southern California.

Dubbed "EXERCISE MERIT BADGE," the operations are designed to provide training in amphibious landings, replenishment-at-sea exercises, shore bombardment, surface and subsurface search and Marine maneuvers ashore.

Twenty-two Pacific Fleet ships and more than 13,000 men are taking part in the training exercises. SEMINOLE operates out of San Diego, Calif.

Technical Sergeant Doyal C. Yarbrough of South Bend, Ind., has graduated from the Military Air Transport Service Senior Noncommissioned Officer Academy Norfolk, AFB, Fla.

He received advanced training in leadership and management.

The course included study in military justice, Air Force history, human relations, world affairs and related subjects.

Sergeant Yarbrough, a flight engineer, is returning to his permanent unit at Turner AFB, Ga.

The Sergeant is the son of Mr. and Mrs. David C. Yarbrough of South Bend, Ind.

His wife, Marlene, is the daughter of Mr. and Mrs. Albert F. Foyle of Eden, Tex.

Belle Glade, Fla., is serving aboard the nuclear powered guided missile cruiser USS Long Beach, which recently visited Naples, Italy, her first Mediterranean port of call.

Currently operating with the sixth fleet in the Mediterranean, Long Beach is on her first cruise in that area.

Long Beach, the world's first nuclear powered surface ship, was two years old Sept. 9. She carries the most advanced communication, electronic and ordnance systems in the Navy today. Her assignment with the Sixth Fleet signifies Long Beach's "coming of age" as a completely operational, thoroughly tested fighting unit.

Among her missile systems are the long range "Talos" and the shorter range "Terrier" missiles for defense against air attacks. Long Beach has an antisubmarine rocket (ASROC) for use in the event of submarine threat and five surface-to-air missiles for surface targets. The nuclear reactors providing Long Beach's power give her an almost unlimited cruising range without the need of refueling.

Long Beach normally operates out of Norfolk, Va.

Lake Bowling League

U. S. Sugar Corp., Clewiston in first place with 14 pts., Belle Glade Herald 2nd with 12 pts., and W. T. Grant and V & W Farms tied for 3rd with 9 pts., High Springs 4th and high individual score was 206, S. Sugar Corp. Curtis Thompson rolled high individual game 204, 217 for high set of 604.

Journalism Student To Attend District Meeting

Students of the journalism class will attend the 5th District meeting of the Florida Scholastic Press Association November the 2nd at Palm Beach High School. An interesting program has been planned beginning at 9:00 a.m.

The schedule of special events include band music under the direction of James Gross, band director, and choir directed by Miss V.A. Carpenter. Following the invocation, John J. McDonnell, principal of Palm Beach High will extend a welcome. Introduction of the new officers will be made by Mrs. Frances Hennessy, Florida Scholastic Press Association District Director. Guest speaker for the day will be Mr. Rae O. Weimer, introduced by John Garrick, editor of the "Front."

Discussion of newspaper writing, yearbook layout, and yearbook will be divided into three one hour sessions. Each session will have four different topics being discussed on yearbooks and newspapers. Mrs. LaFlamme, Belle Glade journalism teacher, will lead the yearbook layout group discussion.

Lunch will be a cookout in the patio where a Hootenanny will be given.

Participating consultants will be from yearbook companies, including Taylor Yearbooks, which prints the Belle Glade, Rambler; University of Florida instructors; and Palm Beach Post Dispatch newswriters.

Annual Subscriptions Sale

Subscription sales for the 1964 RAMBLER have been progressing steadily for the past five days. This week ends the subscription drive in the home room. All students who wishes to buy a RAMBLER subscription after this must contact one of the journalism students. The sales are short of the 650 goal, but it is expected that the goal will be reached and passed. All students are urged to get their subscription now as this is predicted to be the best annual published by B.G.H.S.

Thresholds To Adult Living
High school students, have you ever taken time out to realize we are living in a rapidly changing and increasingly complex world where it is necessary to be reevaluated our attitudes and values over again?

Because many jobs, especially housekeeping, have been made easier by machinery, family members have become more occupied with other interests away from home. In modern living, some of the traditional skills are no longer important, but the need is greater than ever for establishing values and goals.

Young people, on the threshold of adult living, are faced with decisions and responsibilities that require mature and independent thought. They must be prepared to take marriage and parenthood seriously, to assume responsibility for the community and beyond, to live independently not only with their families and co-workers, but also with people of other backgrounds and cultures.

Within the last 20 years there has been a 33 percent increase in teenage marriages. Some of the women between 20 and 24 years old in young men between 20 and 29 are being married. It is hoped that this course in "Modern Living" now being offered in the high schools in our state of Florida, will help young students toward better understanding of adult problems. This course should help students in these ways:

1. Establish long range career and family goals.

2. Prepare for happy family life by considering the responsibilities of marriage and parenthood and to realize that marriage and parenthood are serious obligations.

3. Distinguish between fleeting wants and enduring satisfactions.

4. Appreciate the good qualities of family members and friends without expecting them to be perfect.

5. Understand the place that religion and good citizenship must hold in a well balanced life.

6. Improve personality and appearance.

The adviser of this paper an estimable gentleman sent back a bunch of my jokes because he said they contained no humor. But when I threw them into the stove the fire just roared.

CLUBS

F.T.A. News

The Future Teachers club had its first meeting for this year on Monday, September 30. The regular meetings will be held on the second Tuesday night of every month at seven-thirty.

The officers for the year are:

President, Mrs. Lynne Long; Treasurer; Secretary, Mrs. Marion Bates; Student Council representative.

Some of the purposes of the club are to identify the characteristics and aptitudes of sustainable members, to gain an understanding of the history and development of our public schools, their purposes and contributions to our society; to secure accurate information on vocational opportunities in education and to participate in pre-vocational activities.

Some of the hopes for this year are to visit the elementary school, have more interesting speakers, and to have more successful fund raising activities.

The sponsors are Miss Rhodes and Mrs. Stevenson. Miss Rhodes teaches in the business department, and this is her second year of sponsoring the club. Mrs. Stevenson teaches senior English and junior high English.

Hazel T. Litchfield

Six Weeks' Tests

Six weeks tests were given yesterday and today, bringing the first six weeks of school to a close. Report cards will be out next week, and Friday, October 18, has been set aside for a Parent-Teachers Conference day, with all students having a holiday.

The adviser of this paper an estimable gentleman sent back a bunch of my jokes because he said they contained no humor. But when I threw them into the stove the fire just roared.

The last meeting on Oct. 3, was held to discuss projects for the year and for the acceptance of the following new members: Allison Cann, Ann Priest, John Mazingo, and Sam Williams.

The officers also refined the art display, used each year at the art show sponsored by the art department and art club.

Art Club

The second bi-monthly meeting of the Versatile Arts Club will be held next Thursday night, Oct. 17 at 7:15 in Room 19. Art club members are asked to attend.

The last meeting on Oct. 3, was held to discuss projects for the year and for the acceptance of the following new members: Allison Cann, Ann Priest, John Mazingo, and Sam Williams.

The officers also refined the art display, used each year at the art show sponsored by the art department and art club.

Gossiping Gandy

Well, here I am again with some hot gossip right off the so-called press! I don't know whether Carol W. has made up her mind yet or not. Does Dee and Wayne have a date? Is it pretty steady. It's good to see Ronnie M. and Vencie R. going steady. I have seen Marilyn R. and Danny S. together quite recently. I have seen a couple going against Connie W. and Jimmy A. I hate to say this, but nobody has hooked Johnny D. yet. Come on girls, let's get to work. I hope to see David H. w/o. I am glad to see Linda Hollingsworth, who has got your eye on now? Come it be Jerry? Well, I am glad to see Linda back again. I didn't seem quite the same without him. Ronnie M. I think you'd better start keeping your books to yourself. Did you get the fish market, Betty G.Z. What's this I hear about Norma B. getting letters from Tallahassee? Hello little devil!

wherever you are.

OUR ERROR!

Several students have been complaining that their names have been printed in this column. This is because the names have been changed to protect the innocent. These students should look closer, annual could mean anything. For instance a "W" may stand for Williamson, Weatherbee, Who Williams? A "D" doesn't mean Davis, it often means Dimwitte. Please do not think we are referring to students at this school.

Signed
Gossiping Gandy

The restyled Ford Fairlane for 1963 presents a big-car appearance with a broad engine performance that was proved in the Indianapolis 500. While the middleweight Fairlane looks bigger, it remains about the size of the 1956 Ford on the outside and the 1953 Ford on the inside. Five models are offered in the 1963 Fairlane, the design as the Fairlane V-8 that powered Lotus cars to second and several places in the grueling Indianapolis race. These included two sedans, a hardtop, a station wagon, and a five-door station wagon. The Fairlane V-8, combined with five transmission, three power plants offer a full array of performance and luxury choices for 1963.

Student Pictures Made

The school photographer will make pictures of students in grades eight through eleven on October 12.

Each student will be dressed to wear at a later date. Boys

and girls will wear coats and

trousers; girls in each class

will dress similarly in order for the

pictures to make a nice appear-

ance.

Rams Defeat Trojans!

The Rams have done it again! Friday night at Lake Worth Stadium the Rams defeated the Trojans 27-0.

There were four touchdowns made by Gary Walker, Charles Thompson, Bucky Holt, and John Cason respectively. All but one of the tries for extra points was successful.

Gary Walker, freshman who was moved up to varsity just last week, played an expert game. Although there were mistakes, as can only be expected, they were few and far between and of little consequence to the team. The Rams' Glade's defensive unit has not been scored upon. All in all it was a wonderful game, with fine playing by everyone.

Rams Meet Hornets B-String Undefeated

Belle Glade will play Riviera on the Ram's home field tomorrow night at the second home game of the season. The Rams have topped the Hornets for two consecutive years and this year's outlook is good.

Ram fans have been supporting the team in all the games this season. The bleachers are expected to be filled for this game.

Having played both Ft. Pierce and Palm Beach, the Hornets come to Belle Glade with a powerhouse ready for action. The Rams are waiting for them. It should be a great game to see.

A dance after the game will be sponsored by the Pep Club, and there will be victory music for everyone to enjoy. School dress will be required and an admission of 5¢ Stas and 50¢ Drag will be charged. All B. G. H. S. students are invited.

DO YOU REMEMBER:

1. The lineup for polo boosters in the second grade?
2. Billie Gruber wearing cowgirl outfit to kindergarten?
3. Dorothy Shives having her red hair?
4. The Maypole dance?
5. Ballet in 4th grade?
6. Squirt baths in backyards?
7. Show Margie's garage?
- JOKEST!

One club used to be another: The best way to make a fire with two sticks is to be sure one of them is a match!" Q. A man fell out of a tenth-story window but was barely scratched. WHY? He was wearing a light fall suit.

On Monday and Tuesday the Seniors were given the annual Senior Placement Tests. These tests are state wide and are given to each student in the State of Florida. In two weeks the committee will again meet with community representatives to determine the effectiveness of this new program. It is hoped that the students will support this effort and stay at school for lunch.

Have You Noticed?

Ron Halbrook, chairman of the cafeteria committee, has

been working these past couple of weeks to improve the menu of the B. G. H. S. cafeteria.

Ron has had the advice and

council of Mrs. Binkley, Miss

Savers, and Mr. and Mrs. Evans.

Some of the complaints that

have been registered by the stu-

dents are these: long lunch lines,

poopy salads, a set lunch for

everyone, poorly prepared foods.

Mrs. Binkley has had some

difficulty also. Among her

complaints are the following:

The Federal Government

won't allow serving extra food

which is in addition to the

meal, unless the students

are slow in getting money ready to

pay; and fluctuation of the num-

ber of students who will be eat-

ing in the cafeteria makes plan-

ning difficult.

Coach Thornton's only com-

ment about the Stuarts game

which will be played there to

night was, "We'll show up."

Tests

On Monday and Tuesday the Seniors were given the annual Senior Placement Tests. These tests are state wide and are given to each student in the State of Florida. In two weeks the committee will again meet with community representatives to determine the effectiveness of this new program. It is hoped that the students will support this effort and stay at school for lunch.

Now available to qualified residents of Florida
and their families...

NEW MEDICAL CARE PLANS

help end worry about the high costs of illness and accidents for life

PERMANENT PROTECTIONS THAT CAN NEVER
BE TAKEN AWAY FROM YOU...

- NO MATTER HOW OFTEN YOU NEED TO USE
THE GENEROUS BENEFITS
- NO MATTER HOW MUCH MONEY YOU COLLECT
EACH TIME YOU USE THE PROTECTION
- NO MATTER HOW POOR YOUR HEALTH BECOMES

... and YOU COLLECT OVER AND ABOVE
ANY OTHER PROTECTION YOU NOW HAVE!

Think what this announcement can mean to you and your family. Now you can put one major worry behind you forever... the fear of what a costly sickness or accident could do to your hopes, dreams and future plans. Now, to answer the problem of today's higher-than-ever costs of modern medical care, Bankers Life and Casualty Company of Chicago introduces new lifetime protections against doctor bills, hospital bills, surgeon's fees... even against the "extra expenses" that always accompany hospitalization. You select the coverage you need. No one can take this security away from you as long as you pay the premiums in effect on renewal dates. Renewable for children to age 18. The whole exciting story unfolds in a big Free Brochure, yours for the asking. Why not write for your copy today? No obligation... and you take a big step toward freedom from worry, forever.
